Tonight's the night Andover "Mothers" — 300 strong — "march" through the streets of this town in a concerted fight against Infantile Paralysis.

"Mothers March On Polio" — a phase of the infantile paralysis fund drive — will take place between the hours of 7 and 8 p.m. on Thursday, Jan. 31. All funds raised from this spectacular means of solicitation will be given to the local phase of the polio drive.

Here's how the "Mothers March On Polio" will take place;

At 7 p.m., the Andover fire whistle will sound two long blasts as a signal for the 300 women to start their "March" through the

Report On Schools Is Submitted

Andover public schools are in a "good" condition: its graduates have achieved "excellent scholastic records in private schools and colleges"; its teachers have done a "fine job" and its school committee members are "devoted to the welfare of the children".

That's the report which the League of Women Voters of Andover made Wednesday night to the Andover Parent Teachers Association at an enthusiastic meeting held in Memorial auditorium.

With determination to retain the high standards, now enjoyed by the Andover public school system, the committee, appointed by the League of Women Voters one year ago to study the public school system here, made definite recommendations for future action.

A growing school population, which is expected to reach 1900 children in the Fall of 1952, a growth of more than 600 in six years, inspired many of the proposals for a continued good educational system.

The committee, which has studied the educational system here for the past 12 months, all members of the League of Women Voters, comprised; Mrs. Lathrop Merrick, chairman, Mrs. Karl Haartz, vice-chairman, Mrs. Jack Barry, Mrs. Byron Weiner, Mrs. Robert Sides, Mrs. Dudley Fitts and Mrs. S. Marcus Sweet.

Members of the league, who assisted in the study were: Mrs. William Bennett, Mrs. Miles S. Pendleton, Mrs. J. Kenrick Butler, Mrs. Herbert Klein, Mrs. John C. Brown, Mrs. Adeline Wright, Mrs. Hart Leavitt and Mrs. Rodney Ball.

Miss John P. S. Doherty, president of the Andover Parent Teachers Association, presided at the business meeting and turned over the session to Mrs. Dudley Fitts, president of the Women League of Voters.

Extend Visiting Nurse Drive

The Visiting Nurse Association of Andover, Inc., furthered their plans for the current drive, which opened Jan. 21 and is scheduled to close on Jan. 31, this week.

Chairman of the drive, Robert F. MacMackin, said Thursday, that there is a possibility the drive will have to be extended another week owing to the great response which has been given to the drive. He said that the large area covered made it impossible to complete the drive in the scheduled time.

24 Candidates File For Elective Posts

Annual Town Elections March 3 - Deadline For Filing Friday

With Friday at 4:30 p.m. set as the deadline for filing nomination papers with the town clerk, a total of 24 candidates for municipal positions had signified intentions of seeking office at press time and the annual town elections, scheduled for the first Monday in March, appeared to be shaping into a dull and spiritless affair.

Contests loomed in the fight for positions in the board of public works where five sought the two vacancies which shall exist for three year terms. Alexander H. Henderson, incumbent, was joined by John M. MacKenzie, Ernest N. Hall, Joseph W. Connor and James V. Irvine in seeking election to this position.

Only other contest was in the planning board, where Vincent F. Stulgis and Richard C. Simmers were seeking the single election for a five year term.

It appeared Thursday that when Andover needs a constable it will be a case of "let George do it".

Candidates, who have filed for the position of constable at the annual town elections on March 3, are as follows: George A. Dane, George B. Brown, and George N. Sparks.

"By George".

Otherwise on Thursday, the annual town election shaped up as being devoid of the usual, spirited action, which makes political ambitions so inviting to many.

Twenty-four hours away from the deadline for filing this is how the town election picture took shape:

Moderator, one year, Arthur

Andover Man Hurt In Crash

George J. McCarthy, 16 Hidden rd., was injured Tuesday in Lowell when the car he was driving and a transportation truck were involved in an accident on the Lawrence-Lowell boulevard.

He was taken to St. John's hospital, Lowell, and discharged following treatment for rib fractures and abrasions on the right hand and left knee. Mr. McCarthy will be confined to his home for several days.

Police said Mr. McCarthy, who was traveling west on the boulevard, skidded on a curve and came in contact with the truck, which was traveling in the opposite direction.

Smith College Club Of Andover Formed

Mrs. Frederick W. H. Stott was elected the first president of the newly formed Smith College club of Andover.

Graduates of Smith college, who have often cooperated to raise money for their college, organized themselves into a formal club at a tea in the Phillips academy Alumni House. Mrs. Charles B. Hodges, Jr., was elected the secretary-treasurer.

Those who took part in the founding of the club were Mrs. Ames Stevens, Mrs. William Bennett, Mrs. Harper Follansbee, Mrs. T. Dennie Pratt, Miss Mary Bell. Miss Alice Hopkins, Mrs. Kenneth Minard, Mrs. Hans Marum, Mrs. Joseph Dodge, Mrs. Frederick Johnson, Mrs. Ernest Gaunt, Mrs. Elbert Weaver, Miss Eleanor Tucker, Mrs. Charles McDuffie, Mrs. Dudley Fitts, Mrs. Charles Hodges, and Mrs. Frederick Stott.

The reason we have few great statesmen is because the chief concern of a modern leader is to discover which way the people are going.

College President Warns Against Military Apathy

Opening the fifth annual University of Life session of the Andover Council of churches, Dr. Charles F. Phillips, president of Bates College, Lewiston, Me., made a strong plea for greater military preparedness on the part of the American people. By presenting a more determined front to the Communist nations, Dr. Phillips implied, the war in Korea might have been avoided. "We gave every indication that we would make no effort to protect either Korea or Formosa," he declared. "Consequently Russia was led to the conclusmon that she could take those by a brief military attack."

He implied that we had demobilized too hastily after World War II, and that we must not be led by the current peace negotiations into apathy. We must take direct steps to prevent being drawn into further military action at points selected by the Communists.

These steps include an ultimatum along the lines that Winston Churchill proposed recently, clearly stating that further acts of military aggression will be met by direct action against Red China and Russia.

To back up such an ultimatum, some type of Universal Military Training should be instituted; although he suggested setting a termination date for such a program.

"Such a program," he added, "must be backed by a strong military force but it must not reduce our willingness to continue negotiations with Communist nations so long as the Communists do not supplement such negotiations by military action."

In a discussion period following the address, Dr. Phillips enlarged upon his idea of Universal Military Service, since the idea stirred up many questions among the listeners.

Boy Scout Week To Be Observed

The nation's 2,900,000 cub scouts, boy scouts, explorers and their adult leaders will observe Boy Scout week, Feb. 6 to 12, marking the 42nd birthday of their organization by giving the nation a unique birthday present.

The Boy Scouts of America will launch a new three-year program known as "Forward . . On Liberty's Team," a program of action designed to help keep America strong and free.

The boy scout birthday will be observed throughout the United States, its territories and wherever American families live, either in service in the armed forces, or as representatives of the government and business.

This year's celebration will honor the organizations and institutions whose sponsorship make possible the existence and growth of the nation's 80,298 packs, troops and explorer units.

Shorten Decorated For Korean Service

M/Sgt. Victor T. Shorten, whose wife, Marie, lives at 10 Elm ct., has been awarded the bronze star medal for meritorious service during 11 months of Korean combat.

Sgt. Shorten, who has departed from Korea for the United States, served with the headquarters of the 3rd Division's 7th Infantry regiment.

The decoration was presented in recognition of Shorten's service between Nov. 17, 1950 and Oct. 24, 1951.

University Of Life To Hear Lecture On Dartmouth Bible

After a successful beginning last Sunday, the University of Life continues with its second meeting at the Free Christian church on Sunday evening Feb. 3. Buffet supper will be served at 6:15 by the women of the West Parish church and the Union church of Ballardvale with Mrs. Frederick Ortstein and Mrs. William MacIntyre as the leaders of the two committees.

At 7 o'clock the Chapel service will be addressed by the Rev. Roy B. Chamberlin, Professor of Biblical literature at Dartmouth college, Hanover, N.H., on "The Making of the Dartmouth Bible". Professor Chamberlin, a graduate of Wesleyan university and Union Theological seminary in New York city, is a former pastor of the Church of Christ, Congregational, Hanover, N.H., and has been a fellow in religion at Dartmouth since 1927, where he is also chaplain. He is the only living editor of the famous Dartmouth Bible, an edition which is the result of years of painstaking scholarship, and which has proven so helpful to many since it came off the press in 1950.

Rev. Roy E. Nelson will lead the devotional service which precedes the chapel address. Mr. Alexander D. Gibson, who was chairman of last year's University of Life and who is a Dartmouth alumnus, will be chairman of the church seminar from 8 to 9 o'clock. Rev. Mr. Chamberlin will discuss "God and Man at College".

Rev. Charles H. Buck, Jr. will bring to the Bible seminar, which runs simultaneously, the second of his series of studies on the New Testament, "The Life and Teaching of Jesus". Rev. Dr. Buck is proving to be one who can stir one's thoughts and challenge one's opinions by the simple straightforward presentation of the facts which lead to his own faith and belief.

The young people are fortunate in having with them Mr. Suichi Muto, a graduate student at Harvard, who also studied at the University of Michigan, after graduating from the University of Tokyo. He studied law and banking in Japan where he also was a correspondent for a widely circulated Tokyo newspaper. In this country Mr. Muto is studying political science and economics, and is prepared to speak on "An Interpretation of the Bible; Buddhism and Christianity". He brings with him some Japanese paintings and is prepared to use some Japanese music to compare and contrast the culture of our two countries. Mr. Herbert Otis, president of the Andover council of churches will preside at the youth seminar.

LITTLEST LISTENERS

The Ballardvale pre-school group will hold its regular story and music program in the library Thursday, Feb. 7, at 10 a.m.

Church Notes

As part of "Nation Wide Youth Week" and to show the growth of religious life among the young people, the following young people took over the services of the West church last Sunday morning: Paul Gaskill, Barbara Williams, Glenn Peatman, Mary Boloian, Deanne Hudgins and David Haartz. The sermon entitled "Our Pilgrim Fellowship Purpose" was preached by the following young people: Carol Ann DesRoches, who gave the prologue, Mary Fielding, Bruce Stewart and Richard Hudgins.

The regular 11 a.m. service of the West church will be held next Sunday, Feb. 3, in Grange hall. The work of redecoration going on in the auditorium of the church will not be completed until after next Sunday. We are most appreciative for the courteous hospitality which the members of the Grange have shown us during the time the church has been in the process of decoration.

Bean Supper

The Pilgrim Fellowship of the West church will serve a baked bean supper in the vestry at 5:30 p.m. Saturday, Feb. 16.

The proceeds from the supper will be used to send the young people to the summer conferences.

It is hoped that those who have an early lunch hour will come a few minutes to drop in and enjoy some part of the program. Suggestions for musical selections will be very gladly accepted at the desk.

Legacies Accepted By South Church

Legacies given to the South church during the past year were accepted at the 24th annual church meeting held Jan. 23.

They included the following: Burchard E. Horne, $2000., Miss Alice Bell, $500., the James Marshall fund of $300., Mrs. John Alden, $2524.52; Miss Susan K. Jones, $5000., Miss Susan K. Jones (cemetery use) $10,000

Following a supper served by Robert Sutton the meeting was called to order by the clerk, Arthur Bassett. Prayer was offered by the minister, the Rev. Frederick B. Noss. Edmund Hammond was elected moderator.

The reports of the year showed still further progress in matters of church improvements, organization activities, church school reorganization and installation of new study material. A committee will be appointed to make further study and plans for greater facilities for the church school and other activities.

The budget for the coming year was accepted. The new plan for a double quartet instead of a volunteer choir, except at Christmas and Easter and special music demands, was accepted.

The nominating committee, Alvin J. Zink Sr., Mrs. George Sanborn and Dr. William V. Emmons, presented the following slate of officers:

Arthur W. Bassett, clerk one year; Harold C. Goddard Jr., treasurer one year; L. Fraser Colpitts and Willard H. Currier, assistant treasurers; C. Douglas Glennie, deacon six years; Mrs. Walter E. Mondale, deaconess six years; Miss Louella Dunning and Alvin J. Zink Jr., prudential committee; George W. Glennie, finance committee; Heinrich Rohrbach, cemetery commissioner three years; Ralph L. Draper, superintendent of ushers; Richard M. Zecchini, superintendent of Sunday school one year; Charles R. Bennett and Cleveland Gilcreast, auditors one year.

A rising vote of thanks was extended to the retiring officers for their service to the church.

Legacies Accepted By South Church

Legacies given to the South church during the past year were accepted at the 24th annual church meeting held Jan. 23.

They included the following: Burchard E. Horne, $2000., Miss Alice Bell, $500., the James Marshall fund of $300., Mrs. John Alden, $2524.52; Miss Susan K. Jones, $5000., Miss Susan K. Jones (cemetery use) $10,000

Following a supper served by Robert Sutton the meeting was called to order by the clerk, Arthur Bassett. Prayer was offered by the minister, the Rev. Frederick B. Noss. Edmund Hammond was elected moderator.

The reports of the year showed still further progress in matters of church improvements, organization activities, church school reorganization and installation of new study material. A committee will be appointed to make further study and plans for greater facilities for the church school and other activities.

The budget for the coming year was accepted. The new plan for a double quartet instead of a volunteer choir, except at Christmas and Easter and special music demands, was accepted.

The nominating committee, Alvin J. Zink Sr., Mrs. George Sanborn and Dr. William V. Emmons, presented the following slate of officers:

Arthur W. Bassett, clerk one year; Harold C. Goddard Jr., treasurer one year; L. Fraser Colpitts and Willard H. Currier, assistant treasurers; C. Douglas Glennie, deacon six years; Mrs. Walter E. Mondale, deaconess six years; Miss Louella Dunning and Alvin J. Zink Jr., prudential committee; George W. Glennie, finance committee; Heinrich Rohrbach, cemetery commissioner three years; Ralph L. Draper, superintendent of ushers; Richard M. Zecchini, superintendent of Sunday school one year; Charles R. Bennett and Cleveland Gilcreast, auditors one year.

A rising vote of thanks was extended to the retiring officers for their service to the church.

B.P.W. Will Request Funds To Complete Water System

In order to complete the final link in the new 16-inch water main which in 1945 was brought down Lowell street from Haggett's pond to the center of the town, the board of public works will sponsor a special article in the town warrant next March for the installation of the last section in this system, a 16-inch line from Phillips street to the low distribution reservoir off Bancroft road.

The proposed route would be to continue the line from its present dead end at Phillips street, along Main street to Bancroft road and thence to the reservoir.

It is estimated that the present cost for the work will be about $55,000, and that sum will be requested. Back in 1944 when the system was being planned it was figured that this section could be done for about $22,000.

This remaining link of the system in the opinion of Sidney P. White, chairman of the board of public works, "is a necessary step to complete the service we started out to do in 1945". It will cut down the friction in pumping and will be of great value in the event of a large fire.

The board is also going to ask for an appropriation of $4000 to buy an area of about four acres of land adjoining the Bancroft road reservoir. This would be used for the future enlargement of the reservoir and allow sufficient surrounding space for its protection.

The land is owned by George J. and Melrena Flathers. In connection with this proposal Chairman White has recently received a communication from the owners stating that this is the last opportunity the town will have to purchase the land at the present price, which was set some years ago.

ON LEAVE FROM KOREA

After spending a twenty day leave at his home, Boatswain Mate William D. Eldred, son of Mr. and Mrs. Hugh A. Eldred, 22 Washington ave., has returned to his ship, the USS New Jersey, at it's home port, Norfolk, Va.

He was accompanied on his leave by one of his ship-board buddies, S/M Tony Rodela, whose home is in Las Vegas, Nev. They have just returned after spending six months in the Korean conflict.

B/M Eldred, while in Korea, signed over for another six years in the navy.

Boy Scout Week

In these days when the evidence points to a widespread weakening of the American moral fibre it is encouraging to note that a great moral force in America is growing even stronger.

The Boy Scouts of America celebrates its 42nd birthday during Boy Scout week, February 6 through 12. It is an occasion when we can pause and consider its mark on the youth of the nation. Since 1910 more than 19 million American boys and men have been influenced by this scout oath:

"On my honor I will do my best---
To do my duty to God and my country, and to obey the scout law;
To help other people at all times;
To keep myself physically strong, mentally awake, and morally straight."

Today nearly three million boys and men are actively enrolled in over 80,000 different units. Scouting is indeed a great asset to the nation. May it continue to succeed in influencing the lives of countless more boys as you go "Forward . . . on Liberty's Team."

Autoists Make Insurance Rates

Insurance rates are made by arithmetic. This is the statement of William Leslie, general manager of the national bureau of casualty underwriters discussing rates for automobile liability insurance.

It is most interesting to local motorists who have noted the increase in their 1952 auto insurance bills over those of a year ago.

For rating purposes, Mr. Leslie said, accidents are charged against the community in which the cars are garaged, not in the territory where they occur. This has been brought to the attention of motorists in this state on previous occasions when zone rates were being extablished, yet many who are paying higher rates are inclined to blame visiting motorists from low-rated communities for their plight.

The motorists in any given community make the arithmetic, Mr. Leslie pointed out. They can add it up as high or low as they wish without worrying that visitors from other territories are going to throw it out of balance to any important extent.

"The man behind the wheel makes the rates for his own community," he added, "whether he lives in Chicago and cracks up in the wide open spaces of Wyoming, or whether he is a planter from the South trying to show the Yanks in swirling New York how to drive."

This is important to remember while driving. The cost of an accident is charged right back to the driver's territory. Perhaps this knowledge will help persuade motorists to drive more carefully everywhere.

MANAGER TRANSFERRED

James M. Busher of Main st., resident manager of the Ayer mill since June, 1950, has been temporarily assigned to a similar position at the American Woolen company's National & Providence mill in Olneyville, R.I., He is a native of Providence and has served in other official capacities in the company's mills.

Fingold Speaker At Service Club

Drawing upon his experience as a former assistant attorney general of the state, Atty. George Fingold of Malden, known as the "racket buster of Suffolk county," related numerous stories of crime and racketeers in his address at the Andover Service club meeting at the Andover Inn last Thursday night.

Discussing the topic, "Is there a cure for crime and corruption?" the speaker told his audience that there was and that it could be done through the election of the proper officials. This, he said, is a matter entirely up to the public.

Atty. Fingold was introduced at the meeting by Frank L. Brigham, a past president.

The supper was opened with blessing by the Rev. Roy E. Nelson Jr., of the Andover Baptist church. Sam Osgood was winner of the free dinner.

The next meeting of the club will be held Feb. 14 and the program will be in charge of William F. Lucey who will present a panel of three newspapermen for a discussion of international, national and state affairs. The panel will be made up of William Heath, managing editor of the Haverhill Gazette, John A. O'Hearn managing editor of the Lawrence Eagle-Tribune, and Arthur Woodman of the New England Newspaper service of the state house. A question and answer period will follow the discussion.

Will Speak On Observations In Soviet Russia

On Thursday evening, Feb. 7th, in the meeting room at George Washington hall, Phillips Academy, Robert and Nila Magidoff will speak on the topics, "An Evening With The Magidoffs On Russia", and "My Discovery Of America".

Robert Magidoff was born in Russia and came to the United States as a young boy, where he attended American schools and college, graduating from the University of Wisconsin. He returned to Russia as an American correspondent, first for the Associated Press, then for the National Broadcasting Company. He was the only United States war correspondent who covered the entire Soviet-German war. During this period he made 14 trips to the front, travelling in satellite countries after the war, including Tito's Yugoslavia. He is the author of numerous magazine articles and of a book entitled, *In Anger and Pity*, which he wrote in 1948 after he was expelled from Moscow on trumped-up charges of espionage. He is now writing a second book on Russia, and is at the same time preparing for publication a volume of poetry, much of it about the loveliness of New England in the summertime.

Nila Magidoff is a former Soviet newspaper woman who was permitted to leave Russia during the period of the war for purposes of friendship and publicity for the Russian war relief. In Russia, she worked in factories, in the merchant marine, and for newspapers. Since coming to the United States at the time that her husband was expelled from Russia, she has lectured extensively, taught at the University of Louisville, and written for various magazines. She is the heroine of her husband's book, *In Anger and Pity*.

The meeting at which the Magidoffs will speak is sponsored by the Phillips Society of Andover, a student organization at Phillips Academy. The meeting will start at 8:15 and is open to all who are interested in attending. There will be no charge for admission.

People who go to the trouble to think don't have much trouble to think of.

PUNCHARD HIGH

By JANET THOMPSON

Drama Festival

A tentative Punchard cast is now rehearsing for a one-act play, "Among Those Present", to be entered in the Massachusetts High School Drama Festival. Since approximately forty-seven high schools wish to enter the Festival this year, the contest procedure has been changed. Instead of holding the state festival at one high school only, as in previous years, three sectional contests will be held.

Schools in northeastern part of the state will compete at Lynn Classical high; those in the western part of the state will meet at Northampton high; the southern high schools will present one-act plays at B.M.C. Durfee high in Fall River.

Eight or ten winners will be chosen from these three sectional contests. These will compete at the finals of the state festival to be held here at Punchard April 5.

First Aid Demonstration

Fire Chief Edward Buchan and Deputy Hilton demonstrated the fire department inhalator resuscitator to the Punchard First Aid Classes Monday. Deputy Hilton explained the procedure in using this mechanical means of artificial respiration and then compared the advantages of the inhalator and those of the manual means of artificial respiration, as taught by the American Red Cross.

Excursion to Museum

The entire eighth grade will go into Boston next Tuesday, Feb. 5, to visit the Museum of Science. Through the course of the day, the eighth graders, accompanied by G. Arthur Danforth, Robert Collier, and Benjamin Dimlich of the Junior High faculty, will hear a lecture in the planatarium and will be guided on a tour through the Museum.

SKIING AT NORTH CONWAY

A group of about 30 students at Merrimack college left early Monday morning for several days of skiing in North Conway, N. H. They are currently on a ten-day vacation from their college studies having completed their mid-year examinations.

Among those making the trip were: Richard Barney, John Boland, James O'Brien, John Cataret, Laurence Gilligan, Joseph Manning, Joseph Orlando, James Morin, Frederick Galloway, Michael Zinno, John Hamel, Albert Chasse, George Schruender, Joseph McCall, Robert Kane, Charles Wesson, Misses Mary Keefe, Mary McCarthy, Mary McKay, Jean Rouke, Ursula Mahoney, Eleanor Scafard, Mary Bousquet, Pauline Clinton, Patricia Hart, Mary Ann Maynard, Loretta Knoopacka, Ruth Levesque, Madeline Sullivan and Barbara Byrne.

COURT ST. MONICA

The January social of Court St. Monica, 783, took the form of a whist party held last Friday evening in the school hall. Those receiving awards were Mrs. Arthur Locke: door prize of a boiled dinner; John Barrett: 10 gallons of gas; Mrs. George Lannon: potatoes; Mrs. Stuart Anderson: basket.

WEDDINGS...

HART – WHITE

At a 10 o'clock nuptial Mass Saturday in St. Augustine's church, Miss Katherine Agnes White, daughter of Mr. and Mrs. Francis W. White of Wolcott ave., became the bride of John J. Hart III, son of Mr. and Mrs. John J. Hart Jr. of Exeter st., Lawrence. The Very Rev. Patrick J. Campbell, OSA., pastor, officiated.

Given in marriage by her father, the bride wore a gown of ivory satin fashioned with a sheer sweetheart neckline, Queen Anne collar of alencon lace and lace was applied on the bodice. The full skirt ended in a cathedral train. Her fingertip veil of illusion was attached to a headpiece of matching satin trimmed with orange blossoms and she carried an arm bouquet of white roses.

Miss Mary Elizabeth, a sister of the bride, was maid of honor; Miss Ann White, another sister of the bride and Miss Carol Jane Mariois, cousin of the bride, were junior bridesmaids. All attendants wore identical gowns of deep rose velveteen fashioned with scalloped bodices, fitted waists, and very full skirts. They wore matching mitts and hats. The maid of honor carried an arm bouquet of pink sweetheart roses and the junior bridesmaids carried old-fashioned bouquets of mixed flowers.

The bride's mother chose a gown of French rose trimmed with lace for her daughter's wedding. Mrs. Hart, the bridegroom's mother, wore a gown of deep aqua trimmed with rhinestones.

William R. Hart served as best man for his brother and the ushers were Leo Hart, another brother, John R. White, brother of the bride, John J. Hogan, David Hackney, Edward J. Retelle, Alexander H. Vanasse Jr., and Edward Kiesling Jr.

A reception at the Andover Country club followed the ceremony.

Following a wedding trip to Bermuda the couple will reside in Andover.

The bride, whose father is president of the American Woolen company, is a graduate of Pembroke college. Mr. Hart is a graduate of Boston college and is a veteran of the army air force. He is associated with his father as a funeral director in Lawrence.

TISBERT – HARDING

Announcement of the Jan. 14 wedding of Barbara Ann Harding to PFC Alcide Tisbert, son of Mr. and Mrs. Arthur Tisbert of Greenwood rd., has been made by her parents.

Mrs. Tisbert is a graduate of Lawrence high school. Mr. Tisbert who attended the Andover schools, is attached to the US marine corps base at Cherry Point, N.C.

Garden Club To Hold Illustrated Lecture

The Andover Garden club will meet Tuesday, Feb. 5 in the Andover Inn. Coffee hour will be at 9:45 a.m. during which the horticultural committee, headed by Mrs. Charles Arnold Jr., will present a contest on Latin names of plants and trees.

This will be followed by an illustrated lecture on "Seasonal Flower Arrangements" by Mrs. Charles F. Berry. This will include spring, summer and fall garden growing and arrangements – also suggestions for table settings for holidays and anniversaries. It will stress antiques and their fascinating use as flower containers.

Mrs. Frank M. Benton, president of the Andover Garden club will preside.

Red Cross Plans Fund Campaign

The Red Cross Fund organization for 1952 swung into action with the joint meeting, on Jan. 23, of the fund planning and fund operation committees.

The first group to begin active participation in the campaign will be the Advance Gift committee, on Feb. 5. Joseph Allen, chairman of this group, re-emphasized the importance to Andover chapter of a Share-the gift plan on the part of those who live in Andover and work in other communities. He pointed out that the money used to support Andover chapter programs must be raised in Andover. Money given outside this community goes to other chapters, while Red Cross service required by Andover residents must be cleared through the local chapter, whether it be a request for blood, a problem of emergency communication with a person in the armed forces, a request for transportation or any other of the services this chapter is prepared to provide. Everybody living in Andover is urged to remember his own chapter with at least a part of his gift to Red Cross.

Fund chairman David M. Thompson announced a change in the traditional plan for the drive. This year there will be no solicitation of employee groups at their place of work. Instead, the contact will be made through the residential teams at the homes of all residents.

Working with Mr. Thompson and Mr. Allen are the following divisional heads: Arthur Reynolds, corporate gifts; Charles Dalton, business; Mrs. Harold Johnson, residential; Harold Howe II, public schools; G. Grenville Benedict, Phillips academy. Also present at the meeting were chapter chairman Ernest S. Young; John E. Gilcreast, treasurer; Miss Barbara A. Loomer, executive secretary.

Assisting Mr. Allen in the Advance Gift drive are the following: Harold Abbott, Thomas B. Barraclough, Donald Boynton, William S. Brines, Gibson Brown, Donald Burns, Thomas Burns, Windsor Gale, Robert Holland, William Hughes, Eric Jones, Fred I. Kent, Henry Livingston, Ernest Wilkinson, William MacIntosh, Kenneth Penwell, Miles Pendleton, George Sawyer, Donald Thompson, Albert N. Wade, Thayer Warshaw, William Perry, Thomas Critchley, and David Donnan.

Shawsheen School Single Session

A group of parents whose children attend the Shawsheen school are interested in having the school department put the school on a single session program for a trial, for the remainder of the year. Many of the children live a long distance from the school and must walk both ways twice a day. All children are being given a ballot this week to deliver to their parents. These should be filled out by the parents giving their preference either for or against the proposed single session, and returned to the school as soon as possible. If the single session is adopted, there will be a 30 minute lunch period, supervised by teachers, and children will carry their lunches. There will still be two kindergarten sessions, one from 8:30 a.m. to 10:45 a.m., the second from 11 a.m. to 2 p.m.

The starting and closing times will be set by Mr. Sherman and Miss Harnedy and the single session will give the pupils the same number of school hours per day as the present 2 session program affords. Mr. John Broderick is chairman of the group which is working on this project with Mr. Sherman and Miss Harnedy, and others on the committee include Mrs. James Jennings, Mrs. Alfred Bonanno, Mr. and Mrs. Paul McKinnon, John Winters, Knut Hansen, Frank Barkalow, Mrs. Andrew Baillie, William McCarthy, Mrs. Charles Benedetti, Mrs. Joseph Calcina, Mrs. Herbert Westerbrook, Mrs. Murray Mealey, Mrs. Joseph DeMuysere and Mrs. Gerard Pelletier.

Woman's Club

The Shawsheen Village Woman's club will meet in the school hall next Monday, February 4 at 8 p.m. A vote will be taken on a recommendation which was made by the board of directors at the last club meeting. The board recommended that the past presidents, who had been members of the club for twenty-five years, may become honorary members. In order to become effective, this recommendation must be voted in the affirmative by two-thirds of the members present and voting.

Mrs. William Thompson, program chairman, will present Barbara Warren Shure, as the speaker of the evening, who will talk on "Current Theater". It is interesting to note that Miss Shure is the daughter of Phyllis Edwards, who presented the living pictures at the Christmas meetings. She is an actress herself and will recreate both plays and performances of stars in the theater world, thus assuring a very entertaining evening. Mrs. Irving Piper and Mrs. Herman Seinwerth will be hostess chairmen during the social hour which will follow the program.

Polio Drive

A large number of Shawsheen women will march through the streets of their immediate neighborhoods on Thursday evening when the Mothers March On Polio, sponsored by the Infantile Paralysis fund drive gets underway. At 7 p.m., when the fire sirens and horns signal the beginning of the drive, they will set out to visit all homes which display some form of illumination. Mrs. Frank Barkalow of Enmore st. has been in charge of recruiting mothers for the drive. This section has been divided into seven blocks and the block leaders and workers are as follows:

Block 1, Mrs. Albert Carpentier, leader; Mrs. Alfred Hahnenstein, Mrs. Stephen Licciardello, Mrs. Alan Woodcock, Mrs. Arthur Minzer, Mrs. Chester Kopatch, Mrs. Betty Richards, Mrs. Romeo King, Mrs. John Winters, Mrs. James Jennings, Mrs. Alfred Bonnanno, Mrs. Morris Campbell, Mrs. John Broderick, Mrs. Harold Whitman; Block 2, Mrs. Alan Dunlop, leader; Mrs. Thayer Warshaw, Mrs. Walter Davis, Mrs. Harold Haller, Mrs. John Tansey, Mrs. James Prout, Mrs. John Moriarty, Mrs. Joseph Gibbons, Mrs. Priscilla Manning, Mrs. Arthur Redfern, Mrs. Lindsay Shuford, Mrs. Thomas Neil; Block 3, Mrs. Joseph Gaudette, leader; Mrs. Harold Jackson, Mrs. Joseph Bergeron, Mrs. George Snow, Mrs. Harold Wright, Mrs. Thomas Bevan, Mrs. Joseph Bresnahan; Block 4, Mrs. Allen Flye, leader; Mrs. Herman Seinwerth, Mrs. Alden Walls, Mrs. James Byrnes, Mrs. Norman Miller, Mrs. John Guild; Block 5, Mrs. Robert Watters, leader; Mrs. F. Jerry Leone, Mrs. Charles Benedetti, Mrs. Thomas Noyes, Mrs. David Bell, Mrs. Richard Locke, Mrs. Stanley Chart, Mrs. Frank Killilea; Block 6, Mrs. John Ebhardt and Mrs. John Hewitt, co-leaders; Mrs. Frank Henrick, Mrs. Arthur Pomerleau, Mrs. Herbert Dawson; Block 7, Mrs. William Skulley, leader; Mrs. Martin Finnerty.

PTA Fun Night

On Wednesday evening February 13 at 7:30 p.m. the Shawsheen PTA will hold its annual "Fun Night" at the school hall. This is the time when all the children and their parents gather for an evening of merrymaking, game playing and bargains galore on the white elephant and bakery tables. A balloon man will peddle his wares, a handwriting expert will be on hand to analyze the handwriting of any who wish for it, grabs will be on sale, and refreshments of hot dogs, pop corn, coffee and "coke" will be available. Mrs. Allen Flye is general chairman and she is being assisted by a large group of interested parents.

The committee heads are as follows: bakery, Mrs. James O'Shea; white elephants, Mrs. Albert Carpentier; preserves, Mrs. John Ebhardt; grabs, Mrs. James Byrnes; parcel post, Mrs. Harold Haller; popcorn, Mrs. Leslie Jolliffe; Refreshments, Mrs. Gerard Pelletier; handwriting expert, Miss Eunice O'Donnell; balloon man, Mr. Rocco Mirisola; games, Mr. Paul McKinnon; decorations, Mrs. John McCarthy.

This is the only money making affair which is run by the PTA during the course of the year and the money is used for special equipment for the school. In recent years the PTA has provided a movie projector and funds for film for the visual education program of the school.

GIRLS HONORED AT RUSSELL SAGE

Two local girls were the recipients of honors from Russell Sage college, Troy, N. Y., recently. Miss Helen Glennie, daughter of Mr. and Mrs. George Glennie, 21 Wolcott ave., was awarded class honors for work in the second semester. Miss Glennie, a member of the Choir and Glee club, was a member of the chorus which sang with the Boston Symphony orchestra.

Miss Janice Bowen, daughter of Mr. and Mrs. Harold Bowen of Argyle st. is secretary of the Outing club and also a member of the Glee club and Home Economics club.

So long as Communism exists we cannot afford to relax. It is the duty of every American to keep the defense effort rolling—the only way to insure our freedom.

League Of Women Voters Report On School Survey

The report of the League of Women Voters on the local public school system is, in part, as follows:

The League of Women Voters of Andover has undertaken a survey of the Andover public school system because, good as it is, its importance to our children makes it worthy of constant scrutiny. As citizens and parents we want to make sure that our schools continue to be the best that the town can afford. For a year the education committee has spent hours and hours learning facts about our schools, comparing them with others, discussing them with league members and teachers, and reading books about education. Four members of our committee have been teachers. All of them are parents. All sections of town are represented.

Because we have considered our schools more deeply than most people, we think that our comments and recommendations would be of interest to the community.

The Andover schools are good; they can be proud of their students' excellent scholastic records in private secondary schools and in colleges. We admire the teachers who have done a fine job with large classes in outmoded buildings. We are fortunate to have school committee members who are devoted to the welfare of the children.

For lack of space we will merely list the services which we find good, and enlarge upon the improvements we recommend.

General Comments

The dominant fact in the Andover schools is the rapidly growing school population. Next year there will be 1900 children in the public schools, an increase of over 600 in six years. The new buildings will not provide enough space; undoubtedly in the next few years, Stowe school will have to be used, and an addition built on the Shawsheen school. Increased size means more teachers, a larger budget, and a greater complexity of administration.

Andover has a higher than average percentage of students taking advanced education. 37% of the high school graduates go to colleges, and 20% to vocational schools. The national average is 20% and 20% respectively.

The teachers do more than teach the basic subjects. Their duties include: at the elementary level, recess yard duty, room housework, teaching art, music, and physical education under direction, testing children's sight and hearing, weighing and measuring them, watching for physical abnormalities, giving health and safety instruction, collecting milk money and charitable donations, sending notices home; at the high school level, helping with social activities, dramatics, the year book, athletics, etc. In addition, teachers are encouraged to do further study. We expect and receive more from them than we give in financial security.

We mention with approval

The fine guidance program (though a dean of girls would be helpful), the thorough health service, the music program (though we wish the bank were open to boys as well as girls), the art program, the kindergartens (though we hope transportation may soon be provided for the pupils), the high school libraries with a librarian.

We recommend

The more frequent use of imaginative teaching devices, such as: Group projects, field trips selected to suit the age group, assemblies with student-directed programs, audio-visual aids, original dramatization of stories and characters.

We feel that the importance of reading, writing, and arithmetic as basic tools cannot be overemphasized. These recommendations are offered as aids and supplements to teaching the three Rs, and other subjects as well. These ideas are not brand new, but have been tried and proved in other localities and to some extent in our own schools, and are based mainly on the fact that a child learns more easily and quickly from actual experience than from second-hand information. He will be more readily taught if his imagination and creative ability are stimulated. Many children, who do not learn best from book-reading, will be reached with these aids. The new school buildings are planned to facilitate the use of these supplements. With more community understanding of the reason for these devices, the teachers could use them more effectively.

Elementary School Library

There is a room in the new central school designed for a library, and we urge that it be so used, with a qualified librarian in charge at least part of the time.

Miss Lane, the children's librarian, deposits one book per child in each elementary classroom and changes them once a month or once in two months according to the requests of the schools. These classroom libraries should be continued. The librarian could also manage the audio-visual aids for all the elementary schools.

The Memorial Hall library has offered, at a sacrifice, the part-time services of the children's librarian through next year to establish an elementary library properly, and to work out the details of its program in cooperation with the principal. Whether the school library should be a function of the town library, a function of the school, or a cooperative effort must be decided next year.

Two more remedial reading teachers

This year there are one hundred and six children who are a year or more behind in their reading ability. The majority of these children can be corrected. The one remedial reading teacher, remarkable as Miss Hopkins is, has too heavy a burden. Miss Luella Dunning does some work on a development program in reading in her classes in the high school. If we accept the theory that the schools should give individual help to those with reading problems, then we should see that they are given all the help they need. If uncorrected, they are not only themselves handicapped throughout their academic careers, but they also remain a problem to all their teachers and lower the standards of their classes. At least two more remedial reading teachers are necessary.

An athletic program for the elementary schools, and an expanded one for the girls in the high schools.

We should like to see one afternoon a week given to games and team sports for children in grades 4 - 6. In developing the whole child the physical abilities are as important as the mental, and may well be more important to the child's emotional growth.

In the high school we suggest that soccer be restored to the athletic program, and that more girls be urged to participate in spring sports.

An Elementary Supervisor

We recommend that eventually an elementary supervisor be appointed, to train the new teachers and recommend their appointment to tenure, to coordinate the teaching in the five schools.

Extra-Curricular Activities

Most of the Punchard graduates who answered our questions felt that more diversified extra-curricular activities would have given them a more rounded education.

Child Guidance Clinic

Many emotional problems of children and their parents can only be solved by professional help. Plans for such a clinic are being considered by the school committee.

Anyone interested in reading the report in full may obtain a copy from the Memorial Hall library.

Information For Veterans

Q — Several years ago, I obtained a GI home loan, when the top guarantee was $4,000. Now that the guarantee has been raised to $7,500, may I use the difference to get another GI loan to go into business?

A — No. The additional guarantee may be used only in connection with a GI home loan.

Q — I was disabled in service in 1949. Would I be eligible for vocational training under the program that recently was set up for Korean disabled veterans?

A — No. One of the requirements of the law is that the disability must have occurred after June 27, 1950, the official date of the outbreak of Korean hostilities.

Q — I intend to apply for an increase in my pension to $120 a month, since I'm so severely disabled that I need the regular aid and attendance of another person in order to get about. If the increase is granted, will it be retroactive to the date that I first got on VA's pension rolls?

A — No. If VA awards you the increase, it will become effective as of the date you filed your application.

Q — I'm a Korean veteran, hospitalized for a service-connected disability, and I'm now awaiting my final dischange. May I apply for vocational training available to Korean veterans?

A — Yes. Members of the armed forces hospitalized while awaiting final discharge may qualify for the training provided they meet all requirements. They may not receive subsistence payments, however, prior to actual discharge or separation.

OBITUARIES

Dr. ALFRED J. LEARY

Dr. Alfred J. Leary, 16 Chestnut st., died Friday following a long illness. A prominent radiologist for more than 32 years, he had served hospitals in Boston, Manchester, N. H., and Lynn and maintained offices in Lawrence and Dorchester. He was a graduate of Tufts Medical school and took further training in X-ray at Johns Hopkins Medical school and Columbia university.

He is survived by his widow, Helena (Howard) Leary; a son, Dr. Howard L. Leary of Winchester; a daughter Ann, wife of Dr. Joseph P. McEneaney of Andover; a brother John Leary of Dover, N.H., and five grandchildren.

The funeral was held Monday from the M. A. Burke Memorial funeral home with a solemn high Mass of requiem at 10 o'clock in St. Augustine's church.

The Rev. Robert F. Griffin of St. Mary's parish, Claremont, N.H., was the celebrant, the Rev. Henry B. Smith, O.S.A., deacon, and the Rev. Henry B. Syvinski, O.S.A., sub-deacon. Seated within the altar rail were: the Very Rev. Patrick J. Campbell, O.S.A., pastor, the Rev. Charles J. Leddy of Dover, N.H., and the Rev. D. J. O'Keefe of Billerica. James Sheard was the soloist and James J. Sayers presided at the organ. Burial was in the Immaculate Conception cemetery where Fathers Griffin, Syvinski and O'Keefe conducted committal services.

The bearers were: Dr. Charles Kickham, Dr. Timothy Lyons, Dr. Harry V. Byrne, Dr. Joseph Kennedy, Land Court Judge John E. Fenton and John J. Sullivan.

MRS. HENRY BOURASSA

Mrs. Leda (Gilbert) Bourassa, wife of Henry Bourassa, 107 Chandler rd., died unexpectedly Sunday at her home. A native of Barre, Vt., she had been a resident of Andover for the past 16 years.

Surviving besides her husband are five daughters, Cecile, wife of Anthony Marino of Stoneham, Henrietta Bourassa and Annette, wife of David McHale, both of Lawrence and Geraldine and Beatrice Bourassa of Andover; 12 grandchildren; and eight sisters, Mrs. Louis Beaulieu, Mrs. Ludger Desjardins, Mrs. Edmond Saucier, Mrs. William Cloutier, Mrs. Mary Breton, and Mrs. Eviline Ross, all of Lewiston, Me., Mrs. Joseph Bouchard of Taunton and Mrs. Oliva Lavallee of Mooers Forks, N.Y.; two brothers, Arthur Leo Gilbert, both of Lewiston, Me., and several nieces and nephews.

The funeral was held Wednesday from the late home with a solemn high Mass of requiem in St. Augustine's church at 9:00 a.m. Burial was in St. Augustine's cemetery.

MRS. NELLIE KROOK

Mrs. Nellie (Mahoney) Krook, 12 Arundel st., died Saturday at the Lawrence General hospital following a long illness. She was born in Lynn and was a resident of this town for the past 29 years. She attended West Parish Congregational church.

She is survived by a daughter, Mrs. Walter Simon with whom she made her home and a grandson, Lt. (jg) Robert A. Simon, now stationed in Virginia.

The funeral was held Monday from the Lundgren funeral home with services at 2 p.m. conducted by the Rev. John G. Gaskill, pastor of the West Parish church. Cremation took place in Harmony Grove cemetery, Salem.

GILBERT P. GOLDTHWAIT

Gilbert P. Goldthwait, 13 York st., died Jan. 23 following a long illness. Born in Biddeford, Me., 86 years ago he had resided in Andover for the past eight years.

Surviving is one daughter, Mrs. Joseph K. Pearson of Andover; a son David N. Goldthwait of Biddeford, Me., and two grandchildren.

The funeral was held Saturday at 10:30 a.m. from the Dennett and Craig funeral home in Biddeford. Burial was in Woodlawn cemetery, Biddeford.

2,400 Enroll For X-Rays

Approximately 2,400 enrollment cards for free chest X-rays had been turned in at headquarters of the Andover X-ray survey Sunday evening, according to Mrs. Elbert C. Weaver, canvassing chairman. The survey, which will run from Feb. 25 to Mar. 7, is sponsored by the Massachusetts Dept. of Public Health, Essex County Health Association, Andover Board of Health, and the Andover Christmas Seal Committee.

Late canvassing returns, Mrs. Weaver said, are expected to bring the total number of Andover people wishing X-rays up to 3,000. The residential canvass did not attempt to enroll industrial employees of the mills and other plants located in Andover, students in Grades 9-12 in the Andover public schools and at Abbot Academy. Special X-ray locations and arrangements have been made.

Sacred Heart Sodality Accepts 75 Members

The Rev. Henry B. Syvinski, O.S.A., spiritual director of the Sacred Heart sodality of St. Augustine's church, initiated 75 members into the sodality at impressive ceremonies in the church, Sunday afternoon.

A banquet in the school hall followed the ceremonies with 150 members attending. The Very Rev. Patrick J. Campbell, O.S.A. pastor, and the Rev. Henry B. Syvinski were the speakers for the affair.

Seated at the head table were the following: the Very Rev. Patrick J. Campbell, O.S.A., the Rev. Henry B. Syvinski, O.S.A., the Rev. Henry B. Smith, O.S.A., Mrs. Michael Brennan, president, Mrs. Herbert Auty, treasurer, Miss Ruth O'Connell, vice president, Miss Anne Scanlon, secretary, and Miss William Burke, past president.

Miss Mary Lanigan, church organist, presented a program of entertainment, consisting of a quartet, namely, Miss Jane Mets, Miss Theresa Beaudoin, Miss Betty Sullivan and Gerald McCall.

The following committee was in charge of the banquet: Mrs. John MacInnes, chairman, Mrs. Gilbert Stone, Mrs. Augustine Sullivan, Mrs. William F. Lucey, Mrs. Charles Robertson, Mrs. George Lannan, Mrs. Mary Walsh and Mrs. Fred Barrett.

MOTHERS MARCH ON POLIO TONIGHT

(Continued from Page One)

various districts of Andover. It will also be the notice for householders to turn on their porchlights as invitations for the "marching" mothers to stop by for a donation.

The "march" will last one hour and every home which displays a porch light will have been visited in that span of time.

Deputy Fire Chief J. Woodrow Crowley, chairman of the "Mothers March, said today that five area leaders have been designated to supervise the "Mothers March" in Andover. They Are:

Mrs. Vincent Treanor, Osgood st., Central district.

Mrs. Frank Barkalow, 50 Enmore st., Shawsheen district.

Mrs. Byron Pryce, 34 Marland st., Ballardvale district.

Mrs. William Nicoll, Moraine st., Indian Ridge district.

Mrs. Isabel Dobbie, Shawsheen rd., West Center district.

The following have been named as Block leaders:

Mrs. John Kenney Jr., Mrs. John P.S. Doherty, Mrs. Harold Wennik, Mrs. Adeline Wright, Mrs. Frank Sweeney, Mrs. Cleveland Gilcreast, Mrs. Edward Rice, Mrs. Joseph Wright, Mrs. C. Edward Buchan, Mrs. Albert Carpentier, Mrs. Alan Dunlop, Mrs. Joseph Gaudette, Mrs. Allen N. Flye, Mrs. Robert A. Watters, Mrs. John A. Ebhardt, Mrs. William C. Skulley, Mrs. James Waldie.

Andover police and auxiliary police will be assigned to a patrol of all areas in the town during the period of the march.

Andover firemen will supervise the entire "march" and the Central fire station will be the headquarters for the event.

The "Mothers March" will be held regardless of weather conditions.

Chief Buchan requests that every home owner "invite with a light" because "Marching Mothers" will only stop at homes which display some form of illumination on the porch, such as an electric light, flashlight or candle.

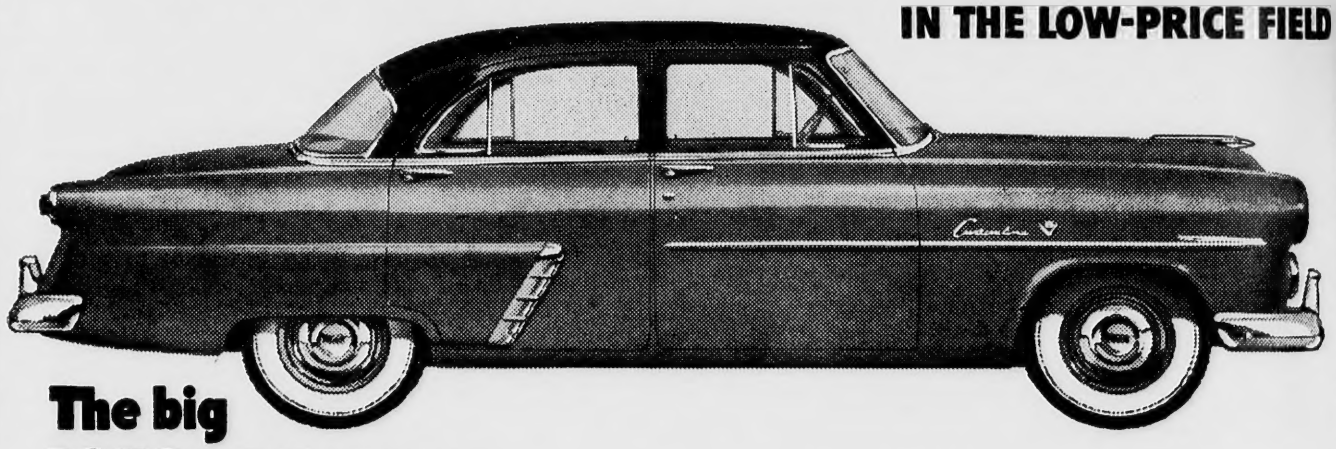
THE GREATEST CAR EVER BUILT
IN THE LOW-PRICE FIELD



The big 1952 FORD

Out-rides them all!
The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

Out-sizes them all!
The '52 Ford has longer wheelbase, wider front tread and greater length. It's big *outside* and big *inside*, with spacious seating for six and the largest luggage locker of them all.

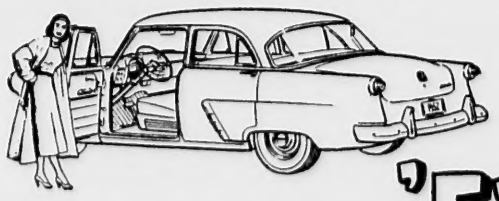
Full-Circle Visibility!
With narrower corner pillars, picture windows all around and a rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

Out-performs them all!
Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

Exclusive Power Pilot Economy!
Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-combustion system gives you high-compression "go" on "regular" gas.

New Coachcraft Bodies!
Ford's new Coachcraft Bodies are longer, stronger . . . distinctive in their modern beauty. They offer new hull-tight construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field!

Out-values them all!
With such modern design and engineering features as new Flight-Style Control Panel, new Power-Pivot Clutch and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!



Fordomatic Drive, Overdrive, white sidewall tires (if available) and two-tone colors on Customline Sedan optional at extra cost. Equipment, accessories and trim subject to change without notice.

You can pay more but you can't buy *newer* or better!
